Roundtable information

[Any other comments or questions? Any "help" questions so we can all learn from each other?](#)

Re-send the email about what to wear to Pack meeting, change to class A. We also want to recognize Sara Cook, participants in the Clean-Up.

For School Night For Scouting, we should set recruitment goals, create a printed brochure for take-away, and create a slide show/video to be playing during.

Patches from Anne Wender from ScoutTrack. Choosing patches different from the normal set makes it more difficult on Anne, and expensive for the Pack. Anne has made a list of the patches that the Pack will be providing; this list will be sent to the den leaders. Patches for den events can come from den funds.

No way to see past belt loops in ScoutTrack to verify that they're not being awarded the same belt loop multiple times.

Webelos I dens will have tan shirts in time for Webelos Encampments.
