

Cub Scout Pack 002
March 2007 Leader Meeting

Expenses report from Bob. He has expenses receipts so far from den 6, 10, 11, and 12. He hopes to have P&L from Blue & Gold, and some other recent events.

Blue & Gold banquet. Feedback is uniformly positive. Tried to stay on time. Beth did a great job with the coordination. The games were very good. Want to make sure that the game coordinators have enough warning to shut down the games. Michelle Blount, Linda Olle, Candace Cole, Beth Atkinson, Anne Wender, Overly, Bob were on the committee this year. Already have two chair people for B&G next year: Lorraine Danielson and Sherri Levine. Food was great, there was plenty for the first time in a long time. It was good not to have separate food items for the kids and adults.

Brain mold bowl from the B&G. Did someone take it home? It was Mercy's. Send an email to the Pack about that.

Soap Box Derby. Went well. Perhaps bales of hay on the curve? Perhaps have the Tigers start from a lower point on the hill the first run.

Centennial Quality Unit Award. That paper work is turned in, and we will see how it shakes out. Its a new award, and no one is really sure how it works out.

Adding new Scouts to the Pack. Added about 6 new Scouts in the last few months.

Scouting for Food. Lorraine Danielson is coordinating that. April 26 is stuffing, delivering by April 29th. Food collection is following weekend. Need to promote it much more. Maybe get with Joanne, Trasey, or Lisa about help from LP. Can drop collected food off at Lorraine Danielson. Maybe partner with a Publix or Kroger to help increase the donations. Maybe also a drop box at Dave's.

Sienna has volunteered to be the food coordinator for the Family Campout. Perhaps move the Family Campout to somewhere other than on LP property. Need an email to the Pack asking for an overall coordinator for the campout. Chris Kulat is handling the coordination, looking for a site where we can have Pioneer camping (big group of campers all together). Need space for 175 to 200 people. Lisa will be the firestarter.

Day Camp needs staff members. Maybe Mike Shambaugh? Talk to Doreen Campbell. Get an email out to the Pack letting people know that they can get the applications online, download them, complete them, and bring them to the Pack meeting.

Jason Jones will likely be continuing next year as the Popcorn Coordinator. Possibility of a different fundraiser, like Hershey bars. Have a separate fundraising meeting to talk about this possibility and the options.

Send an email to the Pack about the Scout night. Have to sign up two months ahead (by April 7). Sienna will send me an email to send out.

Sienna wants to do the skit at the April Pack Meeting.
